

Find the greatness within

NuVoWay LifeStyle Coach

Our goal for you is that through a variety of means we enable you to make a six figure income while doing what you love. Working with NuVoWay Corporate, the Territory Manager and Area Manager we will transform you into the foremost authority on all things health, fitness and LifeStyle within your Zone/Area.

Your Role

While you are a private contractor, you are the critical link between NuVoWay Corporate and every member of your community/Zone.

- Progressively you will take our company down to every person in your Zone and will work to establish regular communications with as many of these people as possible, through regular, direct contact as well as a weekly e-newsletter developed jointly by you, the Area Manager and Territory Manager.
- You will work to develop a client base of 100 members at the 'preferred' level of \$100/mth. At this level each member will receive a 1.5 hour coaching session/mth.
- You will work to develop as many members as possible at \$25/mth, ideally 200 or more.
- As we add new products and services to the mix, you will work to obtain 'buyin' by as many people in your Zone as possible.

Your Rewards

In exchange for your committed efforts with respect to building your Zone, you will receive the following:

- 65% of all membership sales. At 100 preferred members this represents: 100 members x \$100/mth = \$10k/mth. At 65% this equals \$6,5k/mth or \$78k/year. At 200 members this represents 200 members x \$25/mth = \$5k/mth. At 65% this equals \$3.25k/mth or \$39k/yr.
- 30% of all products sales. As example, our plan for our initial product is NuVo **FOUNDATION** - the most complete nutritional ever! It will sell between \$3 and \$4/can - \$90-\$120/mth. At 100 people purchasing this monthly this represents between \$2,7k and 3,6k/mth.
