

The future of golf.

NuVo and G3 Golf - Poised to Succeed.

It is my great pleasure to introduce NuVo and G3 Golf to you. Whether your interests lie in health, fitness, and racquet sports or golf - we have a very bright future for you!

We are looking for 100 great people across major markets in North America - to serve as Territory Managers and to build a network across your Territory which will facilitate the development of all aspects of either NuVo or G3 Golf.

To get an idea of our plans, please read the following two documents carefully:

- NuVo Progression
- G3 Golf Progression

For 2025 we will only be fully operational with our entire program in Montreal. With this said, it is our plan to involve 50 great people in NuVo and 50 great people in G3 Golf across the top 50 markets in North America - and to work with them towards being Territory Managers for their markets effective January 1, 2025. The people we are looking for are racquet sport pros (preferably racquetball) and golf pros (and club makers). It is our intention to assist these 100 people to develop a very significant business in the respective Territories in living out your passion.

For 2025 we are in the process of developing a full complement of NuVo products - which it is our intention to have represented and sold by people in our organization - down to every place where fitness, racquet sports and golf are involved. As a starting point, each NuVo or G3 Golf Territory Manager will develop a downline of 4 Area Managers who will go about the process of ensuring that our NuVo products are available at every fitness, racquet sport and golf facility across their Area.

Our plan for 2025 is to have NuVo Consumer Goods available in 3 areas - NuVo Wearables (clothing and shoes), NuVo LifeStyle Gear (fitness, racquet sports and golf equipment and accessories) and NuVo Nutritionals (featuring NuVo FOUNDATION - the most complete nutritional ever!).

Of interest to Territory Managers and Area Managers is that in Year 2 of our presence within your market, Area Managers will become 49% stakeholders in either a NuVoWay FIT Centre or G3 Golf Indoor Facility. In Year 3, Territory Managers will become 49% stakeholders in either a NuVoWay LifeStyle Centre or A G3 Golf 36 Hole Championship Facility.

To apply for positions in either NuVo or G3 Golf - as Territory Managers or Area Managers, please send your CV and a cover letter outlining why you would like to be a part of this very exciting time in sports and LifeStyle to Ross Harvey - rossG3@gmail.com
